

Generating Precision Solutions

Bhansali Techno
C O M P O N E N T S

Company Profile

Introducing **BHANSALI TECHNO COMPONENTS**, a team of young entrepreneurs capable of handling precision work through scientific and acclaimed manufacturing processes. We have established ourselves as a reliable manufacturer of Precision Turned Components, CNC Machined Components, Automobile Components, Aerospace Components and Truck Components. All the products manufactured by us are made from the superior quality raw material from our own Stainless Steel Bright Bar manufacturing plant situated at Khopoli, Maharashtra.

With capable and experienced workforce, we develop customized products as per the specific requirements of the customers. With expertise in every aspect of product design, development & delivery, our team works in unity to realize the organization's collective goal of '**Customer Satisfaction**'.

Infrastructure

We are equipped with a sophisticated line of machineries viz. CNC turning centres, Conventional lathes, Centre less & Cylindrical Grinding machines, Milling machines, Drilling machines, Bandsaw machine to mention a few. The production unit with streamlined process supports flawless and uninterrupted manufacturing operations. We have spacious warehouse for storage of incoming raw material and finished products.

Quality

We have been certified with ISO 9001:2015 for following a well defined "Quality Management System". Our products are continuously monitored by expert quality control professionals. We adapt quality checks at each stage of manufacturing process - right from procurement of raw material till the dispatch of the finished product. We employ gauging system, wherever possible, to ensure Fool Proof Quality Control.

Why Us

We, at Bhansali Techno Components, are committed to implement customer centric approach in the organization and achieve "Complete Customer Satisfaction". Some of the other parameters that provide us a competitive edge are:

- ISO 9001:2015 certification
- Manufacturer of high quality raw material (Stainless Steel Bright Bars, Hex Bars, Square Bars)
- Customized products as per customers requirement
- Timely Delivery
- Competitive Prices
- Customer oriented approach

Group Profile

Stainless Steel Distribution

Way back in 1970, Bhansali Group started their business in Stainless Steel under the name & style of **M/s. Bhansali Metal Corporation**. It has sales and distribution network throughout India and since last 40 years, Bhansali Metal is providing valuable services to end-users of stainless steel in India.

Textiles

In 1976, Bhansali Group diversified into exports of Readymade Garments and Textiles in the name of **M/s. United Impex India**. It is a 100% Export Oriented Unit. Garments are exported to Japan, USA, Europe and Far East Asian countries.

ABS Polymers

In the year 1981, **M/s. Bhansali Engineering Polymers Ltd.** was set up for manufacturing of ABS Polymers. In the year 1999, the company diversified and set up a new division for manufacturing of SAN Polymers and new plant setup in Abu-Road in 2004. As on date the combined production capacity is 48,000 M/T and expected to increase the production to 2,00,000 MT.

Stainless Steel Bright Bars

In the year 1992, **M/s. Bhansali Bright Bars Pvt. Ltd.** was set up for the manufacturing of Stainless Steel Bright Bars to meet the growing needs of International and Domestic markets. Over the period Bhansali Bright Bars have grown into one of the leading exporters of S.S. Bright Bars, Squares and Hexagons, Wires. Our products are exported to the countries like USA, Europe, Singapore, Australia, Malaysia, Vietnam, Sri-Lanka, Syria, Turkey, Iran, UAE and other Gulf countries. Since 1992, we have constantly upgraded our Bright Bars manufacturing facilities. We are now one of the leading manufacturer and exporter from India with a production capacity of 24000 M/T per annum.

Stainless Steel Wires

In the year 2005, we acquired Stainless Steel Wire manufacturing plant in Indore in the name of **M/s. Bhansali Stainless Wire Pvt. Ltd.** This acquisition increased our Stainless Steel Wire manufacturing capacity to 5000 M/T per annum. We can now manufacture S.S. wires for diverse applications like wire mesh, springs, electrodes, wall ties, hooks, screws, fasteners, wire cloth, spokes, screens, filter cages etc.

Stainless Steel Trade

In 1998, **Bhansali Steel (India)** was formed to cater to the requirements of Stainless Steel Round Bars & Pipes to the International & Domestic markets. Bhansali Steel (India) is actively involved in exports and imports of various Stainless Steel Products like round bars, sheets, pipes, wire rods, scrap. It also has strong presence in the high-tech industries of Domestic market.

PRODUCT SPECIFICATION

Materials	All kinds of metals (Specialized in Stainless Steel)
Standard	DIN BS, EN, IS, ASTM, AMS and other European & American Standards
Size	Max dia 500mm x Length 6000mm
Finish	As per customer specification
Plating	As per customer specification

PRODUCTS :

We offer world class precision machined parts and turned components. We use high quality raw material from our own bright bar plant for manufacturing components.

- Piston Shaft
- Machinery Shaft
- Pinion Shaft
- Pump Shaft
- Hydraulic Shaft
- Precision turned components
- Valve and pump components
- Industrial studs / Threaded bars
- Shafting / Pins / Spindles
- Handles
- Nozzels
- High Tensile Fasteners
- Auto Components
- Special bushes
- Connectors
- Stubends
- Sprinklers

Fasteners :

Turned or Machined Nuts: Coupling Nuts, Collar Nuts, Castle Nuts, Dome Nuts, Pipe Nuts, Shear Nuts, Knurled Nuts, Lock Nuts, Eye Nuts, Wing Nuts, Sleeve Nuts, Byloc Nuts, Case Nuts, Rivet Bush, Studs Washers & other special fasteners made as per drawing.

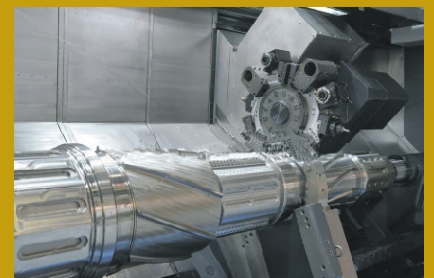

Turned or Machined Screws, Bolts & Studs: Slotted Screws, Knurled Screws, Capstan Screws, Shear Bolts & Engineering Studs.

Plugs & Pins, Washers and Rings: Turned Plain & Cup Washers, Taper Washers, Special Washers, Adjusting Rings, Pins & Plugs.

Besides the above we can also manufacture and supply any

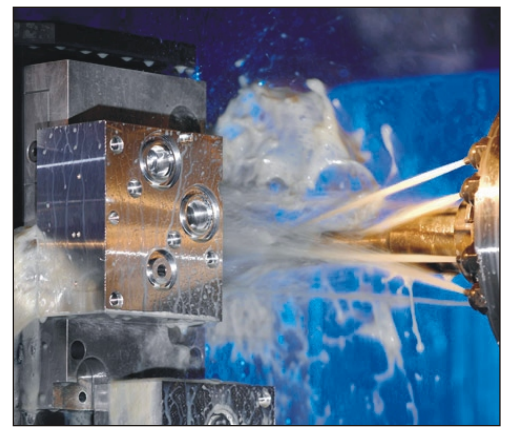

customized components as per the customer's drawing and specification.

Machining **process** like :

- Milling
- Drilling
- Threading
- Turning
- Grinding
- Plating
- Slotting
- Boring
- Tapping
- Polishing
- Heat Treatment
- Assembly

Production **machineries** like :

- CNC Turning Centre
- Lathe
- Traub
- Cylindrical Grinder
- Drilling Machine
- Tapping Machine
- Vertical Machining Centre
- Centreless Grinder
- Automats
- Thread Rolling
- Milling Machine
- Bandsaw

World-class **measuring equipments** like :

- Profile Projector
- Micro Meter
- Plug Gauges
- Slip Gauges
- Customized Gauges as per specification
- Height Master
- Vernier Caliper
- Ring Gauges

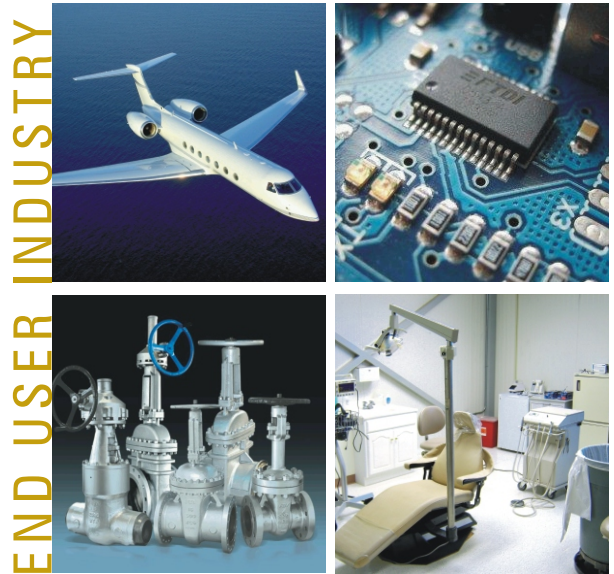

We supply

our products to **industries** like :

- Automobile Industry
- Aircraft Industry
- Medical & Dental Industry
- Telecommunication Industry
- Electronic Industry
- Valve Industry
- Pump Industry
- Defense Industry
- Petro Chemical & Fertilizer Industry
- Paper Industry
- Cement Industry
- Sugar Industry

Bhansali Techno
 COMPONENTS
GENERATING PRECISION SOLUTIONS

Plant : Sr. No. 106, 107, Richard Compound, Vasai Phata, Pelhar Village,
Off Western Express Highway, Vasai (East), Dist. Thane - 401 202, Maharashtra, India.
